Re: Reference letter for Robert Bros Sheet Metal Contractors Ltd.

To Whom It May Concern:

Linde Mechanical Inc. is pleased to offer Robert Bros. Sheet Metal Contractors Ltd. a reference letter.

Together we have partnered to complete the mechanical portion of work on numerous construction projects in various sizes and types and with a professionally and responsible manner. Always Robert Bros. completed the project on time, within budget and in a professional manner. They have always worked with the project engineers and commissioning agents to bring practical and cost effective solutions to all challenges. I would like to express our appreciation for the courtesy and respect that they and their employees have shown to us over the years.

Their workmanship is excellent and I would not hesitate in recommending this company.

Hoping the foregoing is satisfactory, should you have any questions please do not hesitate to call.

Regards;
