We are pleased to advise that we have been doing business with Roberts Brothers for at least the last 19 years on a variety of projects.

During that period of time we have completed many projects using their services in the Industrial, Commercial and Institutional sectors ranging from less than \$1,000,000.⁰⁰ to in excess of \$5,000,000.⁰⁰, in both Design-Build and Bid-Spec formats. They are experienced and adept at performing as a prime mechanical contractor or as our sheet metal subtrade.

Their expertise, diligence and dedicated staff have made them our partner of choice for many projects and those same traits will ensure our continued relationship.

If you have any questions or comments or if I may be of further assistance, please contact me at your convenience.

Regards,

Greg Eyre
Vice President
